What is eREC?

eREC is a Life Line for you and those near and dear to you!

eREC's subscription based service allows members to securely store and update an unlimited listing of emergency contact individuals within one centralized location.

eREC's secure interactive web-database is always available, by Internet or call center, for information retrieval when the need arises.

***Various display settings are available to protect your privacy.**

Why do I need eREC?

Life Happens! In an emergency, the people treating you are not likely to know you. Family, friends and those you trust will.

eREC makes contact possible when getting in touch with you or your designated emergency contacts is crucial.

- ? *Ever forgot to update a school when a number changed for you or an individual you listed as an emergency contact?*
- ? *Ever forgot to update an employer when emergency contact information changed?*
- ? *Ever forgot to keep updated emergency contact information with you in case something happened to you?*

If yes to any of the above, then you need eREC!

How does eREC work?

You update your **eREC** online. **eREC** updates **ALL** your children's schools & participating employers/groups electronically.

Also, using your secured unique member ID number found on your **eREC** member card emergency or authorized personnel may instantly access names and telephone numbers for you and those you list as emergency contacts via the Internet or 24 hour call center.

Childcare providers, employers, school administrators, teachers, emergency response personnel, churches, etc can reach out to you or others you trust in just a few keystrokes.

- ① **eREC** provides email update reminders
- ① **eREC** provides regular listings of new and active members to schools and employers

eREC for families

Peace of Mind. When it comes to our families, we do almost anything to ensure their safety. **eREC** adds comfort by allowing you and your

family to always be connected, especially when time is of the essence. For our families, **eREC** provides the

always up-to-date, easily accessible, automated solution that replaces that little piece of paper in our wallets.

eREC for employers/groups

Saves Time and Energy. Employees relocate, divorce, marry, buy new homes and even change phone numbers. Often, Human Resources is the last to know.

eREC takes the guess work out of finding employee emergency contacts when accidents or events happen at work by providing easy access to employees' emergency contact list.

eREC realizes the employer is the last to know when an employee is missing as a result of an after hours emergency → family may not know who to contact. **With eREC, not anymore!**

It costs employers nothing! Add your group today!

eREC for schools

Keeping Kids Safe. From childcare centers to universities, **eREC** makes sure schools always have up-to-date emergency contact information for you and those you trust with your children.

A missed school bus, a playground injury, or a bad cold, accurate emergency contact information is a must. Many children know their home phone numbers, but may not know their parents' work numbers or the numbers of nearby relatives and trusted neighbors. **eREC** always knows, enabling school officials/teachers to always be informed.

It costs schools nothing! Add your school today!

eREC for communities

eREC invests in education by donating **\$5 per membership** to a school of MEMBER choice for technological advancement at the school.

eREC is an automatic fundraiser for schools.
